

Waves Electronics PVT LTD

**Design Engineer or Assistant  
Design Engineer**

Company Name: Waves Electronics Pvt Ltd

Location: Kizhakkambalam, Kerala, India

Start Date: ASAP

Industry: Power Electronics, specialised in the industry and maritime sector

We are currently seeking a skilled and motivated Design Engineer/Assistant Design Engineer to join our team. If you have a diploma or higher qualification in a relevant field, a minimum of 1 year of experience in design engineering, and possess a strong knowledge of AutoCAD, this position offers an exciting opportunity!

### A. Company Description

Waves Electronics Pvt Ltd is a well-established medium-sized family-owned enterprise, founded in 1972. Waves is a leader in building electrical switchgear and battery chargers for the industry and marine sector. With a dedicated team of over 50 employees in various departments including Design, Manufacturing, Bidding, Testing, and Business Development, we strive to deliver high-quality products and exceptional customer service.

### B. Responsibilities

- Develop detailed electrical designs and schematics for panels and battery chargers.
- Collaborate with cross-functional teams to ensure designs meet engineering specifications and customer requirements.
- Utilize AutoCAD software to create and modify technical drawings.
- Conduct design reviews and provide recommendations for improvement.
- Adhere to project timelines and deliver high-quality design solutions.

### C. Requirements

- Diploma or higher qualification in electrical field.
- Minimum of 1 year of experience working as a Design Engineer or assistant design engineer.
- Proficiency in AutoCAD for electrical design work.
- Strong knowledge of electrical systems and components.
- Effective communication and interpersonal skills.
- Attention to detail and a commitment to producing accurate and high-quality work.
- MS office knowledge is required.

## D. How to apply?

If you are a motivated individual with the required skills and experience, we would love to hear from you! To apply for this position, please submit your resume, and any relevant certifications via email to [waves72@gmail.com](mailto:waves72@gmail.com)

Please include "Design Engineer Application" or "Assistant Design Engineer application" in the subject line.
