We are currently seeking an experienced Busbar Fitter to join our team. If you have a certification from ITI or a similar institution, a minimum of 2 years of experience in busbar work, and a proven track record of working in an industrial facility, this position offers an exciting opportunity!

A. Company Description

Waves Electronics Pvt Ltd is a well-established medium-sized family-owned enterprise, founded in 1972. Waves is a leader in building electrical switchgear and battery chargers for the industry and marine sector. With a dedicated team of over 50 employees in various departments including Design, Manufacturing, Bidding, Testing, and Business Development, we strive to deliver high-quality products and exceptional customer service.

B. Responsibilities

- Fabricate and install busbars according to engineering specifications and industry standards.
- Interpret technical drawings and assembly instructions for accurate and efficient work.
- Collaborate with team members to ensure timely completion of projects.
- Troubleshoot and resolve busbar fitting issues.
- Maintain a clean and organized work environment.
- Leading the busbar work on projects according to the responsibility set by the Busbar Team Leader

C. Requirements

- Certification from ITI or a similar institution.
- Minimum of 2 years of experience working as a Busbar Fitter in an industrial setting.
- Proven expertise in busbar fitting techniques and procedures.
- Proficiency in interpreting technical drawings and assembly instructions.
- Familiarity with industrial facility environments.
- Excellent problem-solving skills and attention to detail.
- Effective communication and interpersonal skills.

D. How to apply ?

If you are a motivated individual with the required skills and experience, we would love to hear from you! To apply for this position, please submit your resume, and any relevant certifications via email to waves72@gmail.com

Please include "Experienced Busbar Fitter Application " in the subject line.
